Subject: I support Bill which will reform prison early releases

I, John Rup Jr, a resident of Willington CT support the proposed bill before the CT Senate which will add the following crimes to the list which are not candidates for early release; manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus. I also support the provision that requires prison wardens to review and sign off on risk reduction credits earned by the candidate inmate.

Regards,
John Rup Jr.
